

## **"JESUS' POLITICAL FRIENDS"**

**by Pastor Kevin McBride**

***Luke 5:27-32***

***(Levi Tax Collector)***

### **INTRODUCTION:**

If you were asked to think of the name of a politician, whose name would first pop into your mind?

What is your first impression of the person you just imagined?

In this series we are exploring the "friends of Jesus" who may not immediately come to mind. This week we see how Jesus interacts, not just with the "down and out" but also those officials not held in highest esteem.

### **KEY VERSE:**

*"It is not the healthy who need a doctor, but the sick. I have not come to call the righteous, but sinners to repentance"* (Luke 5:31-32).

### **HOW DO WE VIEW OUR "TAX COLLECTORS?"**

### **WHO ARE THE "TAX COLLECTORS" THAT WE CAN HAVE AT OUR TABLE?**

### **WHAT WILL I DO TO ENGAGE WITH THESE "FRIENDS OF JESUS?"**

*Next Week: "Jesus' Friends and Enemies"*
