

The Peronts to South Africa

Our Team Is Growing

Praise God with us! So much has been happening, that it's impossible to list everything! That being said, we will do our best to give you the highlights. The Curbos have arrived! So now there are 3 families (including us) working together with the Kirbys to build Onthatile. We are excited to see how God is going to use this team that He has brought together. We were sad to see 2 members of our team leave last month, but both of them are happy and moving on to what God has next for them. Phindle was with The Kirbys' for 5 years and has had a great impact on the children here at Onthatile. She's been studying to be a teacher and was able to find a job teaching! Ruth is moving on to get married! Their absence is deeply felt, but we are happy for them as they begin new chapters in their lives.

We have been busy maintaining and repairing the existing property while we wait for approval to start building the village. Jerry rebuilt a wall for us and I have been able to have quite a few Bible studies with him. Please keep praying for his salvation.

Amy had the opportunity to help lead a young woman to the Lord the week before Easter, and we have been able to stay in contact. We are hoping to have the opportunity to disciple her as she grows in her faith.

There is no lack of construction projects around the village; so, if you're wondering if we could use your skills on a missions trip, the answer would be yes! We have to replace the roof and gutters on the existing home; soon, we will be starting to build the workshop which we will teach carpentry and small engine repair; and there is even a lapa to be built. There are trees to be cut and windows to be replaced and painted. If you think you would like to come over and help out with a project, click [here](#) and drop us a quick note. We would love to see how God can use You to care for the "Least of these."

We are excited to be at the end of the application process for foster parenting here in SA, and we are looking forward to caring for even more orphaned and vulnerable children. Please pray that we will be able to show Gods love and share the Gospel with the children that will live in our home.
