THE TRAINING OF THE TWELVE- CHAPTER

Chapter 10-“Evangelism Starts Here”- Matthew 10- “Motivation Matters”

Scriptures: Matthew 10; Luke 9:1-11

In this section Jesus begins to outline for the disciples their true mission- evangelism. It is the area that most who call themselves disciples struggle with the most, and do the least. Jesus saw people as people who were lost, in need of guidance and direction and that his- and their primary call was to meet the spiritual needs of people who were separated from God. In this session especially try to capture Jesus' heart for people, and how it reflects our heart towards people.

BIG QUESTIONS FOR REFLECTION

1. How equipped do I feel I need to be in order for Jesus to use me in someone's life?
2. Have I ever been trained in sharing the gospel? Do I want to be? Have I ever used my training?
3. Do I see evangelism as a priority in my life? Why or why not? If so, how am I shaping my life to match that priority?
4. Do I have a compassion for people who are lost in their sin? What am I willing to do about having my compassion changed to match the compassion of Jesus'?
