Winter Series: "Nobody but Jesus"

"When I Am Abandoned"
John 13:18-38

When you hear "smaller is better" what goes through your mind?

Read John 13:1. John says Jesus was about to show "the full extent of his love" How do you demonstrate the depth of your love for someone?

How does love and service work together for you? Do you serve because you love, or do you love because you are served?

Read vs 3,4. What would be going through your mind seeing Jesus doing this? What would you have said or done?

Would you Judas' feet if you knew what he was about to do? Can name a time, person when that opportunity was before you? How did you respond?

Read Mark 10:35-45. When am I more like James and John? When am I more like Jesus?

Am I more like a volunteer or a servant?

Who might God be calling me to serve like Jesus today? What practically will I do about answering the call? What help do I need?
