*Winter Series: "Nobody but Jesus"*

**"Which Way Did He Go?"**  
**John 14:1-14**

**What is causing the most anxiety in your life today?**

---

---

---

**Read John 14:1. Jesus commands the disciples, "Don't trouble your heart?" When anxiety hits, do you blame others for the cause of your anxiety, or do you look to yourself first? Why?**

---

---

---

**Read Psalm 139:23,24. David asks God to search his heart for what he is experiencing. How willing are we to allow God to truly reveal our hearts to us? Are we more focused on God "slaying our enemies?"**

---

---

---

**Jesus tells his disciples to "have confidence, faith, trust" in him. When is that hard for me to do? What happens when I try?**

---

---

---

**What do I believe about Jesus?**

---

---

---

**Jesus asks Philip (v9), who has been around Jesus, "Don't you know me?" In my time around Jesus, what do I still struggle to believe about him? What will I do about it?**

---

---

---

**Read John 14:6 with fresh eyes. Jesus says all other ways, truths and lives are transitory. How can the exclusive truth of this verse change my life and how I live it?**

---

---

---

**In what way do I need to make Jesus my way? With whom do I need to share this truth? Will I?**
