“Built to Last”

“Show Me Your Hands”

1 Peter 3:8-16

What was the last blessing you received?

In 1 Peter 3:8 Peter shifts his attention to life within God’s family. He lists ways in which our relationships with each other are to be different (v8,9). How well does my life compare to Peter’s list? With which attribute do I struggle?

In v.9 Peter says we are to live differently so we may inherit a blessing. Which blessing from God can you see at work in your life?

1 Peter 3:10-12 Peter quotes from Psalm 34. Read the psalm and see how many ways you can list that you “turn from evil and do good.” How about in what ways do you pursue peace?

Read v14 again. Can you name a time when you suffered for doing good? How did you respond? How could your response still have been a blessing to others?

What does Peter mean when he says, “set apart Christ as Lord” (v15) Have you done so intentionally?

How can I better prepare myself to “give an answer for the hope that I have (v15)?

God’s hands are full of blessing for us. Can I make a list of people and ways that I can bless them this week?
