Summer Sermon Series 2021: "I Have a Question"

**"Do You Care?"**  
***Habakkuk 1:1-17***

What question would you ask God?

---

---

---

Habakkuk addresses the basic questions we all have asked at one time. "Does God Care?" "Is God Fair?" "Is God There?" "What About Me?" Which of these do you wrestle with and why?

---

---

---

Read Zephaniah 3:1-5. Would anyone indict me on any of these charges? Would God?

---

---

---

Do I see myself as helping, or hindering someone's relationship with God? Can I list an example?

---

---

---

---

---

Review 1 Peter 1:6,7 again. What do I see ask God's greatest goal for my life? Am I a willing participant?

Thoughts on God's Care

1. God hears us in our distress- Hab. 1:5
2. God promises help in his time- Psalm 34:19-20
3. God looks long term- Rev. 21:4,5
4. God's concern for my eternity is greater than my concern for today- Matthew 6:33
5. God calls me to help, not hinder someone's journey with him.  
– Hebrew 3:12,13
6. God is God, I'm not. - Hab. 1:12

As I think through, pray through this list, which point do I struggle with the most? With whom can I pray to ask God to help me grow in each of these areas of my relationship and understanding with him?
