

## ***Peronts To South Africa***

*We thank our God upon every remembrance of you.*

*Phil. 1:3*

*How grateful we are for God's intentional design  
for the Body of Christ to uphold one another in prayer  
and encourage each other in the Word, even from  
8,000 miles away.*

*Thank you so much for your continued prayers and support! It has been a couple months since we sent out our last letter, so here is a quick update on our latest needs and requests.*

*1. In August, we sent a BIG prayer request regarding funding for our family's housing. God answered your prayer! Our plan did not work out the way we anticipated, but we are grateful for God's wise and sovereign provision for our family. He graciously provided a personal loan for us to purchase the house we've been living in for the past 4 years. However, shortly after, He closed the door on that sale and directed us to a different property, less than 1 mile from our current home. We will be moving in the next 2 weeks. This new property actually includes an entire second lot with a freestanding 2 bedroom home as well. We are very excited because this property provides us the potential to pursue starting our own baby home in the near future!*

*2. We notified you in June that LIV's baby home was closed by the South African government and that LIV was doing everything they could to bring the baby*

*home into compliance. Unfortunately, the baby home remains empty because the Government offices have not completed or approved the necessary paperwork. Please continue praying for God to direct the steps of El Roi Baby Home.*

*3. Thank you for joining us in prayer for God's provision of a new leadership couple at LIV Lanseria. Our current leadership will be leaving in June to emigrate to the USA. God has not met this need yet, and so we continue to wait and pray, in confidence, knowing that God will fulfill His sovereign plan for LIV in His perfect time.*

*We honestly could not be here in South Africa without you. Together, we are a team, and you will receive heavenly reward for your service to Jesus through giving and praying! We appreciate your sacrificial love for Jesus and our family! Take a minute to look at a few photos of our every day lives below.*
