*"Rejoicing in the New Year."*

*Philippians 4:6-8*

*It's hard to believe another year has past. We have heard from many of you that it has been a year filled with struggle. For starters, the whole world is coming out of a pandemic and will never be the same again. If your new year will be anything like ours, it will be filled with change, and maybe that brings you*

*some anxiety. Change can bring a lot of uncertainty which could cause fear, but we want to encourage ourselves and you with these words from Paul. "Don't worry, Pray, Tell God what you need, and give thanks." I am so thankful for these words from the Holy Spirit through Paul that can bring peace into our lives. I know Christmas is already a week passed, and for society that means the "Christmas Spirit" is gone, but as believers let's not forget too soon that the Prince of Peace came as a baby and brought peace and Salvation to a world that so desperately needed it.*

*As you take time to reflect on the past year and look toward the year ahead, give thanks for the Sweet little Jesus boy who brought hope for the world now and in the future. Put your hope and trust in Him knowing that you needn't fear, because He is with you regardless of what 2023 may bring.*

*Thank you to everyone one of you who have prayed for us and supported us throughout this past year. You are a blessing to us and God will reward you for being faithful to what He is doing here in SA.*

*We are excited about the journey that lies ahead for our family and will share more details in the New Year. We terribly missed*

*being with our friends and extended family this Christmas, but are thankful for time spent together enjoying the holiday and God's creation around us.*

*Lots of love to you and your family from the Peronts in South Africa.*

*Dan, Amy, Bethany, Ethan, Charis*

*James 1:27*

**Over the Christmas break, we had the opportunity to get up close and personal with some of God's beautiful creation here in SA!**
