

August Missions Prayer Requests/Praises

New praises and requests we have received in August

The Blessing

Wendy Hinzman

Requests:

For full funding so Wendy can move to Florida in January

Her health, the results from the procedures show multiple areas of inflammation in her digestive system, pray that her nutritional consult will provide suggestions for healing

To find the best place to begin

Praises:

There is a website now: www.theblessingfl.com

Her blogs are on her website and she has a new Facebook page: The Blessing.

Ohlin

Request:

Paul's last trip with SLICE is going on now, students from Brazil have arrived

Paul will be in Mexico City from Oct 9 to Nov 11 to work on learning Spanish so he can help cross cultural workers from Latin America learn the new languages they need

For Reflejo a group of Latin America missionaries ministering to unreached people that Paul has Zoom meetings with to work on their English

Praise

The students from Brazil were able to get their visas and have arrived at SLICE

Youth Haven

Requests:

For continued growth in faith of youth who attended summer camp

For staff as they rest and then prepare for the weekend retreats that take place throughout the year

That the attending children will be open to hearing the Good News

Praise:

For all the youth who were able to attend camp and for the staff who helped

Brakes

Requests:

For ways to minister to the students of UNH

For the many people who were saved this summer that they will find a place to be discipled.

For son Samuel and family as he starts public kindergarten this fall, for the transition and to be able to bless the teachers and other students and their families

Praise:

For everyone that attended the Praise Walk at UNH

ChildVoice

Requests:

RAGBRAI is a group pedaling in Iowa to raise money to bring solar power to the Youth Empowerment Center in Kenya

Due to security issues the government shut down their work with the Malkohi internally displaced person's camp, pray that they will be able to continue their work there

Praise:

Lukome Center students all passed their recent Directorate of Industrial Technology certificate with high grades which will help them as they look for jobs or start a small business and it helps restore their hope and confidence for their future

The required community service projects in Uganda and Nigeria help build social bonds and instill the responsibility of giving back to those in need

The internship program at Lukome has restarted after a 2-year pause due to COVID

Odess

Requests:

Leading a large college group to El Salvador in January

Halbach

Request:

For a facility for the school for 6-12 grade boys

For more funding so all activities at the farm will continue to be free for children and their families

Peront

Requests:

The government is moving away from using group homes to care for orphans and transitioning to a foster care system pray that they will have an efficient transition

Pray that the Peronts will be able to help with the transition and that it will be effective

An average of 8 children are abandoned in South Africa each day and 6 of them die, pray for a better way to take care of the abandoned children

For safe and effective traveling to supporting churches as the family is home on furlough, and for rest and rejuvenation for the family

That they will receive their new Visas quickly

Amy and Bethany's health

For projects that need to be completed in South Africa

Praises:

For safe and reliable accommodations during their furlough

Bethany's high school graduation and that she will be pursuing her college studies online and working as an intern at their South African church

Paul and Claire Hudson
Retired missionaries

Requests:

Paul had surgery to fuse vertebrae in his lower spine and is going through the healing process
That Paul doesn't aggravate the nerves and that he heals well

Praise:

That the surgery went well
