**A Ministry Update
from the Brakes**
serving with **cru**

Greetings from our basement!

For many months we've been collecting rulers, crayons, notebooks and more in the depths of our basement. You can see the 3 giant piles behind Emily in this photo :) **Thank you to the many of you who've donated all these!** Today is the day that we bring all these to the MUB (the UNH student union) and pack them into **1,500 school supply kits**. We'll load those kits onto a pallet and Cru's global humanitarian arm, Unto, will ship them to Peru where local staff will distribute them to kids who can't go to school because they lack basic supplies like pencils and paper.

Please pray for:

- Many students who aren't a part of Cru to come! This is a beautiful opportunity for them to see the love of Christ in action and hear about Him. Last year we had over 100 students come help.
- The logistics of tonight to go smoothly...this is our 3rd year doing this and it's always an adventure!
- The 1,500 kids in Peru to experience the love of Christ as they receive these kits in the months to come

Thankful for your partnership and prayers,
Edward and Emily
