# BEREA MINISTRIES

God has been doing *big* things at camp! We had a **tremendous** summer and are wrapping up an **incredible** fall. It has been a joy to serve our campers and their families, and we praise God for all the ways He has worked in their lives.

The past few months have not been without their challenges though! **We are in the midst of \$1 million Water Project at both Camp Berea and Camp Monadnock due to severe water needs, and we need your help.** Water is an essential part of the camper experience: *Filling water bottles, making coffee, washing dishes, preparing meals, using ice, taking showers, swimming in the pool at Camp Monadnock, going down the slip-and-slide, cleaning paintbrushes and craft supplies, washing hands* – these are only a few of the ways in which water **restores, refreshes, and sustains** us at camp.

**We invite you to prayerfully consider supporting our ministry as we face this monumental project.** Check out our [latest letter](#) to get all the details about the Water Project and learn how you can support Berea Ministries through it.

## SERVING GOD THROUGH LEGACY

God knew about our water needs long before we did, and He worked in the life of one of our campers to help meet those needs. ***We never would have been able to run our camps this season if it hadn't been for our faithful legacy partner who left us in his will.*** His generosity allowed us to kickstart our Water Campaign in a significant way.
