

November 2023

*With great thanks to you and your faithful support, we've got a busy few months on the horizon.*

In January we will be joining with **Missions Door's** Vice President of Mobilization and Care, Bob Lehman, and a group of men (and a few wives) from Arizona on mission trip to **Chalchuapa, El Salvador** to work various building projects, as well as working with the area's youth. We will be working alongside Pastor Nelson Juarez.

In February, we return to **Guatemala** to continue the work we began this past spring, providing administrative help with a child sponsorship program.

Ministry continues in March, with Ruth travelling to **Honduras**, to provide administrative support as well as childcare for a women's conference. This is a very special time of teaching and encouragement for the ladies of the area, who

rarely, if ever, get a chance to get away and have the freedom to focus on themselves, even for just a few days. She will be serving Pastor Erick Sanchez and his wife Yoamy.

From June 22 to July 1, 2024, we will be leading a team from OH to serve in **Honduras**. Projects to include church and home repairs, VBS, and Pastoral training. This Mission Team is in the process of forming, so this trip is not yet 100% officially in stone. Please let us know if you are interested in joining us, and in doing so, complete the team.

We have also carved out the first two weeks of August 2024 for a trip to **“destination TBD”**. If your church would like to claim that time for your very own mission trip, to a destination of your choice and God’s leading, please let us know ASAP so we can begin praying and planning. This is a great opportunity for a Vision Trip, where Pastors and Mission Team folks can get a feel for the lay of the land, see your supported Missionaries in action, and bring the Vision back to your home church. If you have other dates in mind, we can work with you there as well.
