Philippians 1:3-5

I thank my God in all my remembrance of you, always in every prayer of mine for you all making my prayer with joy, because of your partnership in the gospel from the first day until now.

*While we were in the USA this year, so many of you asked how you could help with getting our new property repaired. Below the pictures, is a list of specific repairs and estimates for a few projects that need tending to this year. The tenant, who we inherited with the property, moved out while we were stateside. Unfortunately, they left the property in quite a state of disrepair and in need of significant work.*

***We would be so grateful for your help to complete these necessary repairs.***

*Would you consider an end of year gift?*
