## Sunday - February 4, 2024

Our local Rotary club has the motto, "Service Above Self." It is a great reminder that we can/should serve others at least as well as, if not better than we provide for ourselves. Under the best of conditions, with the best of intentions this can be a challenge, and yet it is exactly what Jesus has done for each and every one of us- the sacrifice of his life for mine.

## **KEY VERSE:**

Then Peter said, "Look at us!" So the man gave them his attention, expecting to get something from them. Then Peter said, "Silver or gold I do not have, but what I do have I give you. In the name of Jesus Christ of Nazareth, walk." Taking him by the right hand, he helped him up, and instantly the man's feet and ankles became strong. (Acts 3:3-7)

How do I respond to the real needs of real people in a way that points them to Jesus?

## I SERVE PEOPLE WITH WHAT GOD HAS GIVEN TO \_\_\_\_\_\_\_Read Acts 3:3-7.

Peter and John were not heading to the temple with the idea of healing anyone, but God placed an opportunity before them.

Do I see people as an interruption, or an extension of my service to God? As I take stock of my life, what has God given me today that could be used in service of others?
