February 27, 2024

## THANK YOU!!!

Thank you so much for all your prayers. God answered above and beyond what I could even ask or think. I am extremely blessed with an incredible group of partners in ministry. Please pray with me for the additional partners needed to complete my team. I am praying about having everything in place to move to Okaloosa Island in JUNE. This is a BIG GOD ASK but He has confirmed that NOTHING IS IMPOSSIBLE with Him!!

## CONFIRMATION

I had several goals in mind during my six weeks on Okaloosa Island. I wanted to experience what it was like to “live” there. I wanted to check out the local churches. I wanted to spend some much-needed time alone after a huge amount of transition over the past two years.

You might remember last month’s mention of the text message from the owner of my rented condo. She expressed interest in the Blessing and said that she would like to help. I asked for your prayers. I prayed for about two weeks before contacting her.

My text message asked if we could meet so I could share more details about the Blessing. I also really wanted her insights into some questions about living in Florida. Her response was confirmation that God was answering our prayers.

“I would love to meet you! I was just hoping and praying you would call and ask for info/help in making or starting your ministry!” We made plans to meet for dinner three days later.

After several hours together, I left amazed at the way that God is working. Long story short, they (the owner and her husband) are praying about selling the condo and purchasing a house. They would look for a place with my exact criteria in the specific area that I want. They would then rent the home to me.

Her text to me the next day was an added encouragement. “I walked away thinking of something I had prayed about lately of how to be a Blessing in the area of our area! Which (her husband’s name) did not know about. I believe this is an open door. I was super excited and encouraged of doing work for the Lord. So we will continue to pray about this and see what steps He has ordered!”

The same day that I received her text, I met with a local pastor and his wife. Over French pastries, I shared about the Blessing and my meeting with this couple the night before. Their response was “Your story blessed us and encouraged our faith. Please stay in touch.”. The pastor also offered to put me on the schedule to share with the local pastoral association. He believes that they would be interested in financially helping with the Blessing.
