

April Missionary Praise/Request Summary

Ministries RBC Support:

ANDY & KELLY HALBACH - STILL BLESSING FARM

Prayer Requests:

1. Barn Roof to keep hay dry. Funds and labor are both needed to replace the roof.
2. VBS curriculum and volunteers for the weeks of VBS
3. Volunteers to help with our day camps. We usually have a couple teens and a couple adults help us each week. We don't charge anything for our camps because we believe that the Gospel needs to be freely given. Everything we do in the summer is free for the children to attend.
4. Pray for the children that will attend, for God to soften their hearts to the Gospel so they can respond to it.
5. Pray for a new Headmaster for Claremont Christian Academy. Our Headmaster just resigned a few weeks ago leaving extra work for all of the administration.

WENDY HINZMAN - THE BLESSING

Please pray big with me that God will complete the Blessing team.

On Saturday, I will be flying down to Fort Walton Beach, Florida. I will be attending the quarterly

Meeting of the Emerald Coast Church Network on Monday morning. This pastor will be introducing me to approximately 25 pastors in the area. Please pray with me for traveling safety and Gods perfect will to be done as I share about the Blessing with this group.

Thank you!!

OHLIN

In April we shifted to volunteer status with our organization. We are still taking on the cross-cultural ministry projects that come our way from South America and Africa, but are not doing it full time. We will never forget your participation with us in advancing the gospel in Central Africa, West Africa, South Asia and now South America since 1988.

When I am in TN, I volunteer at a prison and a county jail through an organization called Men of Valor. Our team is able to help inmates that have hit bottom and want to change. Here is a quote I heard on a Gospel in Life podcast, "You don't realize that Jesus is all you need, until Jesus is all you have."

PERONTS

Praises:

For the many completed repairs to the property by different mission's teams.

For Safety while we worked.

For God's faithful provision.

For 50 years to celebrate with family and friends.

For new contacts and ministry opportunities Through Beauty from Ashes.

For God's faithfulness through supporters and friends.

Requests:

For continued work of the Spirit in the lives of the children we were able to minister to.

For startup costs for the new NPC/ministry we will be starting this quarter to be allowed to assist with care for orphaned and vulnerable children through fostering and family strengthening. Pray that God will guide them through all the details necessary.

Safety for the family and Dan as he travels to Malawi for three weeks to continue work on the church building he started there.

For the continued repairs that need to be accomplished on the property this year.

BENTLEYS

Praise that the work of Quechua radio station Mosoj Chaski is going well with new director and new equipment.

Pray for the continuing work of program production, recording and broadcasting on short wave radio and over the internet. The radio station is a huge tool in teaching and discipleship of the Quechua people spread throughout the Andes of Bolivia.

Pray that there will be a renewal in financial support from the listeners. Much of the support is through produce.

Continue to pray for Santiago Mica the principle trainer of the mobile Quechua bible training and for a much needed second trainer to ease his demanding load.
