ChildVoice

Prayer requests:

1. Our team in Nigeria is mourning the loss of little Abba, the son of Fati (one of our graduates from this past January). Please pray for Fati, her family, and the entire Nigeria team during this difficult time.
2. Class 16 will be graduating from the Lukome Center in Uganda in just a couple of months. As they prepare for this monumental step in their journey, please pray for each girl's heart and mind as they face a range of emotions. Also, pray for our staff as they work to prepare each girl for transition into this post-residential phase.
3. As our team continues to work with our partners in Ukraine to develop programs that will serve hundreds of kids, please pray for provision and

protection for these churches as they serve kids in ever-changing environments due to the ongoing war.

4. **we praise God** for the successful bike ride across Iowa last week where 7 riders rode 500 miles over seven days to raise \$20,000 and share the mission of ChildVoice with new people.

Praise:

- **...His provision with the financial resources, allowing ChildVoice to serve more kids this year in Africa.**
- **...the opportunity to partner with churches in Ukraine to serve kids still in the midst of ongoing war.**
- **...His favor in opening doors to bring the mission of ChildVoice to a growing number of people around the world.**
