## God Is Providing--Help Us Expand Our Impact

As the year comes to a close, we are deeply grateful for your consistent and faithful support. Whether through prayers or sacrificial giving, your involvement has been essential to the work God has called us to. Amy and I often say,

**"We truly couldn't do this without you."**

Each of us plays a unique and vital role in the body of Christ, and we are thankful for yours. Your generosity is making a lasting impact. Over the past six years, your partnership has helped us build a strong foundation; and this year, through your faithfulness, we officially launched **Lukiwe Family Services**.

The name *Lukiwe*, meaning "**Woven**" in Zulu, is inspired by Psalm 139:15, which reminds us that every child is uniquely and intricately woven by God. This truth drives our mission to provide **Gospel-centered, family-based care** for orphaned and vulnerable children in South Africa.

## **Our Goal for 2024**

As we reflect on our progress this year, we're excited to share an update on our fundraising efforts. When we launched Lukiwe Family Services in July, our goal was to raise \$46,000 for startup and operational costs. Thanks to God's provision and your generosity, we've already received \$16,000, which has allowed us to bring [Precious](#), our social worker, onto the team in October. She joined us in faith, trusting that God will continue to provide.

As the year draws to a close, we invite you to consider partnering with **Lukiwe Family Services** through your end-of-year giving. Your contribution will enable us expand our work, and further the Gospel here in SA through serving orphaned and vulnerable children.

## A Real-Time Need

This week, we were contacted by the Department of Social Development (DSD) with a request to assist in placing two children—aged 6 years and 3 months—into a home. Unfortunately, we were unable to help at this time, as we are still in the early stages of our operations. It has been a challenging reality for us, as our hearts deeply desire to provide **Gospel-centered family-based care** for these precious children.

## A Lasting Impact

Would you prayerfully consider partnering with us in making a lasting, **Gospel-centered impact** in the lives of children in South Africa?

**Your end-of-year gift** will not only help us meet our operational goals but will also help us share the **love of Christ**, as we serve more children.

Thank you once again for **standing with us** in this mission. Together, we are weaving a future **full of hope** for orphaned and vulnerable children in South Africa.

With deep gratitude,  
Dan and Amy Peront
