

March 2025

We both recently returned from a Missions Door's African Missionaries' Conference in Addis Ababa, **Ethiopia**. This was a great opportunity to meet our Missions Door African Missionary, as well as connecting with a group of extraordinary local Missionaries, with the goal of introducing them to Missions Dorr, and vice versa. Many opportunities await teams to come and serve along them in the areas on construction, children's programs, teaching, medical, and more. We're ready when you are ☐\_

We are looking forward to working with *Galilee Baptist Church* from Gorham, ME on a mission trip in June/July, to work with Pastor Nelson Juarez in **El Salvador** to continue work on a Christian Education/Kitchen/Food Distribution building, as well as a VBS for the area children. ***We are looking for at least 5 additional team members to join us in rounding out this team.*** Please contact us ASAP if you would like to be added to the team.

We will be leading our home Eliot Baptist Church in September to serve one of our supported Missionaries in **Tanzania** in September. Openings exist on this team as well. Please contact us if this may be of interest to you. We are very excited about this unique opportunity.

We would love to come to your church and give and update and/or introduce ourselves and our ministry, including upcoming mission trip opportunities. Please contact us if you're interested.

SOO Close!

For those of you who have been following, our Financial Dept. keeps track of all the Missions Door Missionaries' financial status with regard to being "fully supported". When they began tracking our status, our monthly shortfall was \$1,671. At the moment, that figure has been reduced to **\$85.03!!** Praise God! Would you consider helping us to ELIMINATE this shortfall by *increasing* your support by \$15 a month? Or *beginning* to support our ministry at \$15 per month? Being at 100% would enable us (and you) to do even more on the Lord's behalf. If so, please contact us.

Thank you for your love, prayers and support.
