

# *Peronts To South Africa*

**The One who calls you is faithful, and He will do it.**

**1 Thessalonians 5:24**

~~~~~

It's hard to believe that God first called us to missions all the way back in 2011—a moment that changed our lives forever. Since 2018, we've been blessed to live and serve in South Africa. The journey hasn't always been easy, but God has been faithful every step of the way. Now in 2025, we're witnessing the incredible ways He's been weaving His plan together over the past 14 years. One highlight has been the Open House launch for [Lukiwe](#) in April—and since then, we haven't had

the time to look back!

Below are some pics from our latest outreaches..... Please continue to pray that God will bring fruit from the connections made during our ministry into Kya Sands and Princess settlements. Hundreds heard the message from Psalm 139 that they were created by God and therefore precious!

Looking ahead, we're excited to be planning another trip back to the States this summer. Although we'll only be in the New England area for a few weeks, we're really looking forward to reconnecting with our dear ones. Bethany and Ash will be joining us for two of those weeks, and we're especially grateful that Ash will finally have the chance to meet our side of the family.

As always, we want to express our deepest gratitude for your ongoing support. We truly couldn't do this without you. Thank you for hearing God's call and partnering with us to further the Gospel in South Africa through caring for orphaned and vulnerable children.

Dan and Amy  
James 1:27

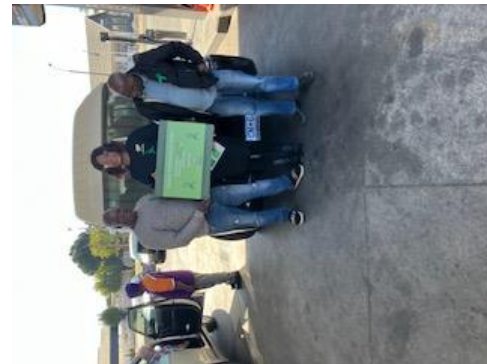

ABOVE: What a blessing to teach so many children and parents in the Princess informal settlement that they are created in the image of God and Precious to Him!

ABOVE: Amy and Precious, our social worker, teaching teens that they are precious, loved by God, and worthy of dignity. Teaching them how to protect themselves against violence and sexual abuse.

Above: I think Precious may be in the wrong profession! (Just Kidding) She had a great time sharing Jesus with everyone and telling them that they are precious and woven by God. What a great way to get the Gospel out at our local gas station. The manager let us promote Lukiwe during Child Protection Week, and Precious was not bashful. She shared with the taxi drivers, teens, security and anyone that wouldn't run away!

### Praises

1. For so many gospel opportunities now that we are running full time.
2. For the many donations, clothing and food, that God provides for us to share with families that are struggling.
3. For the provision of one year's

expenses for Lukiwe!

4. For great ministry contacts in Princess and Kya Sands.
5. For approval of the childrens visas!
6. For ongoing safety as we continue to serve in South Africa.

### **Prayer Requests**

1. Please pray for souls to be saved in Princess and Kya Sands as a result of our outreaches.
2. Please pray for an intern/volunteer to assist Amy with homeschooling so she can focus more on ministry.
3. Please continue to pray for our visas. Amy and Dan are still waiting to hear back from Home Affairs.
4. Please pray that God will raise up godly families willing to foster abandoned and vulnerable children.
5. New monthly supporters for Lukiwe.
