

We have exciting news for New Hampshire families:

**Camp Berea is an approved provider through the Education Freedom Account (EFA) program!**

If your family qualifies for EFA, you can use those funds to send your child to Camp Berea this summer—where they'll experience a week full of adventure, spiritual growth, and lifelong friendships.

 *What does a week at Berea look like?*

- Daily worship and biblical teaching
- High-energy games and waterfront activities
- Small group discussions that build faith and confidence
- A safe, supportive environment where students thrive

✓ **If you're enrolled in the EFA program, you can apply those funds directly toward camp tuition.**

📍 **Camp Berea is right here in New Hampshire—and sessions are filling quickly!**

If you have questions about using EFA funds or need help with registration, we're here to help. Just reply to this email or give us a call at 603 - 744 - 6344.

We hope to see your child at Camp Berea this summer!
