

Peronts To South Africa

**O give thanks to the Lord, for He is good: for His steadfast love endures
forever!**

Psalm 118:29

We wanted to let you know that we'll be heading to the States on Tuesday! We'll only be in the New England area for about seven weeks, so our time will be quite limited. As much as we'd love to see each and every one of you, it will not be possible this trip.

If you would like to meet for coffee, send us a message. We'll do our best to fit in a visit near Merrimack, NH.

Ethan will be busy with Driver's Ed. and hopes to have his license before we return to South Africa. We're also thrilled that Bethany and Ash will be joining us for two weeks—our family is so excited to finally meet him!

As always, we want to express our deepest gratitude for your faithful support. We truly couldn't do this without you. Thank you for hearing God's call and partnering with us to further the Gospel in South Africa by caring for orphaned and vulnerable children.

Dan and Amy
James 1:27

ABOVE: Precious and I had a great time bumping into old friends during a family visit in Jo Slovo.

We had our first directors retreat last month and we had a great time planning for next year.

Praises

1. For so many gospel opportunities now that we are running full time.
2. For the many donations, clothing and food, that God provides for us to share with families that are struggling.
3. For our first directors retreat. We are excited to see how God is going to work next year!
4. For great ministry contacts in Princess and Kya Sands.
5. For approval of the children's visas!
6. For ongoing safety as we continue to serve in South Africa.

Prayer Requests

1. Please pray for souls to be saved in Princess and Kya Sands as a result of our outreaches.
2. Please pray for an intern/volunteer to assist Amy with homeschooling so she can focus more on ministry.
3. Please continue to pray for our visas. Amy and Dan are still waiting to hear back from Home Affairs.
4. Please pray that God will raise up godly families willing to foster abandoned and vulnerable children.
5. New monthly supporters for Lukiwe and safety as we travel home.
