

BEREA MINISTRIES

Year after year, leaders tell us **Deep Freeze and Encounter** are highlights in their ministry calendar.

Why? Because these weekends:

-  **Give students space to hear God's voice**
- ☐ Build deeper connections in youth groups
- ☐ Create memories that strengthen faith for years to come

Your students need more than just another event—they need an **encounter with Jesus**. Deep Freeze and Encounter weekends create the space for that to happen.

 Multiple weekends from January–March 2026 at Camp Monadnock.
