

A Christmas gift that changes a child's story.....

"Truly I tell you, whatever you did for one of the least of these brothers and sisters
of mine, you did for me" (Matthew 25:40)

Last year, God stirred our hearts to step out in faith and launch [Lukiwe](#) — and by His grace, and your generosity, we did it! Your support helped us raise \$38,800, allowing us to hire Precious as our full-time social worker, open our offices, establish our presence, and serve more than 38 families and over 100 individuals with tangible love and support. But the impact speaks for itself.

Here are a couple of examples:

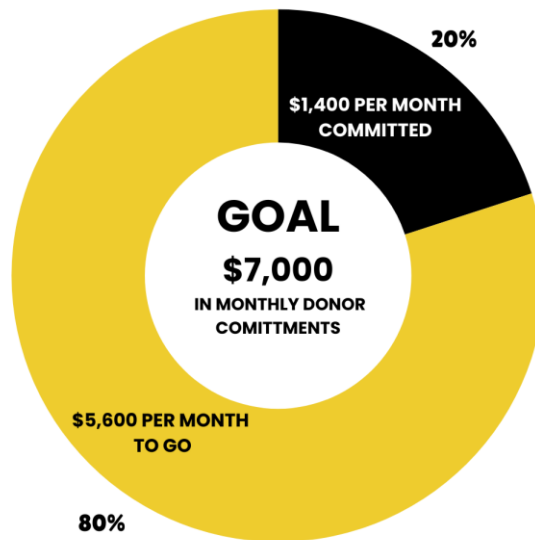

***"Lukiwe, your encouragement and support have made a significant impact on my life and my foster child. I was about to give up on this role of being a foster parent because there was no one available to listen to the challenges and frustrations that I was faced with in this journey. We met at the right time, and you managed to change the narrative. Your love and support are appreciated. Keep up the good work and continue to support and care for Gods people." Charlotte***

***"Thanks, Uncle Dan and Aunt Precious, for visiting our house."

We are currently in Phase 2 of our Self-Sustainability Model, having achieved 20% completion. This next step is about strengthening our foundation — building strong local leadership, deepening community impact, and ensuring that the hope we bring is lasting and eternal, not temporary.

To grow our reach and meet the rising needs before us, we're praying for friends and partners who will stand with us through monthly giving as we move from startup toward long-term stability. Whether it's \$25, \$50, or more each month — or a special year-end gift — your partnership will help us expand our staff, strengthen our systems, and serve even more vulnerable children and families in the year ahead. As we close this year, our hearts are full of gratitude for everything God has done through you. Together, we can build a legacy of hope, dignity, and Gospel-shaped transformation for generations to come. [Donate Here](#)

## Lukiwe Phase 2 Progress

Phase 2 invites partners to commit for just two years — a focused season that will help us build toward Phase 3, where long-term financial stability will fuel lifelong Gospel impact here in South Africa. [Donate Here](#) to become part of Lukiwe's story and help change the story of an abandoned or vulnerable child in SA.
