

Peronts To South Africa

"Pure and genuine religion in the sight of God the Father means caring for orphans and widows in their distress and refusing to let the world corrupt you."

(James 1:27)

~~~~~  
~

This month has been filled with moments that remind us why we do what we do. Our family has held tightly to James 1:27 for many years, and every November, we're reminded of its power as churches around the world observe *Pure Religion Sunday*. Last week, we had the privilege of sharing both God's Word and the vision for the Church to lead the way in orphan care with Sandton Bible Church. A

special thank-you to Pastor Wayne and Garth for opening their hearts and pulpit to us—it was a beautiful time of connection and challenge.

While we're sad to see Precious leave the office as she moves back to Limpopo to be closer to her family, we are deeply grateful for the impact she has made. Please join us in praying that God will provide the partners needed to keep her on as our Social Work Supervisor, even from afar. We're also excited to announce that we've hired a second social worker who will begin in December—keep an eye out for her introduction next month!

We're also celebrating an incredible partnership this Christmas with **Bags of Hope** in Rhode Island. (Learn more about them [here](#)) Together, we'll be bringing hope and dignity to more than **50 children in South Africa's foster care system**. What a joy to see the global Church coming together to love and serve vulnerable children. We'll be sharing photos and stories soon so you can see the smiles your support helps make possible.

Our first ever Foster/Adoptive Family fun day is coming this weekend! It is exciting to see how many are looking forward to attending. 10 families with over 30 foster or adopted children! Please pray with us that this will be a time of encouragement and fellowship for these families.

As we look ahead, please pray with us for **Phase 2 of our Self-Sustainability Model**. God has placed a deep desire in our hearts to steward His provision wisely and build an organization that will continue serving children and families for generations to come.

Would you prayerfully consider joining us in this next step with your **end-of-year giving**? Your partnership helps us not only meet today's needs but also build lasting hope for tomorrow. [Give](#)

As always, we remain deeply grateful for your faithful support. We could not do this without you, and we thank God for each of you who partner with us in advancing the Gospel here in South Africa through caring for orphaned and vulnerable children.

Dan and Amy Peront  
James 1:27

ABOVE: Bags of hope ornaments in the office at Lukiwe, and teaching about orphans in the Scripture at Sandton Bible Church.

Above: It was a rough month with brake downs and crime. Both of our vehicles have been in and out of the shop and at one time both of them were disabled. Praying we will be able to replace them soon.

We also had another attempted break in while sleeping at night. Some men were working at night with a candle digging away at our wall. One more night

and they would have gotten through..... you can see the hole all the way through at the top. So thankful for everyone who prays for our safety daily!

### **Prayer Requests**

1. Please pray for souls to be saved in SA as a result of our outreaches.
2. Please pray for an intern/volunteer to assist Amy with homeschooling so she can focus more on ministry.
3. Please pray that God will raise up godly families willing to foster abandoned and vulnerable children.
4. Please pray for new partners for Phase 2 of our self sustainability model.
5. Please pray for the provision for newer vehicles.
